BLACK CHERRY

Plants produce a good quantity of purple/black cherry tomatoes that have a flavor that resembles Black Krim. Plants bear through October here in Ohio.

BLACK KRIM

Another black variety...fruits are a super dark red with greenish tops. Sweet and tasty flavor.

BRANDYWINE

A favorite Amish heirloom variety that goes back to the late 1800's. Fruits grow up to 24 oz. Prized for its distinctively flavorful fruit. 'Brandywine' has achieved a national reputation as the flavor standard for tomatoes. Fruits are dark reddish-pink, average 10 to 12 oz., and are borne on vines with potato leaf foliage. The flavor of the tomatoes is of gourmet quality. Use for slices, salads, and sandwiches.

DE PINTO

Red Paste tomato that is very solid on vines that are truly loaded with fruit. Need extra staking.

DUTCHMAN

Produces large sweet purple-pink fruits with few seeds.

EARLIANA

One of the first tomatoes developed for short- or mild-summer areas, 'Earliana' is still valued for flavor. The 'Earliana' is medium-sized. It is larger than a cherry tomato but considerably smaller than Ponderosa types. In tomato taste-offs held in Seattle, Washington, the 'Earliana' consistently places in the top ten for flavor.

GERMAN JOHNSON

Another great named tomato...12-24 oz. tomatoes that have a mild flavor and an outstanding yield!!! Highly recommended!! This is one of the four parent lines of the 'Mortgage Lifter' tomato. It is very similar in flavor. Pink-red fruits average 3/4 to 1-1/2 lbs. with generally smooth tops. Good for slicing or canning. Fruits have few seeds. Plants are very productive and fairly resistant to disease.

GOLDEN EGG

Bright yellow egg shaped tomatoes with a mild flavor and full of juice. Bigger than a cherry tomato. Many clusters of 6-10 per plant.

GREEN ZEBRA

Green with light green/yellow stripes...these add a very unique color to dishes and salads as well as having a great full bodied tomato flavor. Full flavored masterpiece that is a wonderful heirloom variety. Terrific salad slicer with a sweet-spicy flavor.

HAWAIIAN PINEAPPLE

Beautiful reddish orange fruits that are golden yellow when sliced. A good yielder of 5" diameter fruits...these are large!!

MARMANDE

A French gourmet heirloom, ribbed red fruit are 6-9 oz. Very fine rich red 6 ounce tomatoes from heavy crops, slightly fluted, full of flavor. A standard throughout Europe.

MONEY MAKER

A very old heirloom from England. Bright red clusters of fruits and plants that are very reliable. Extremely nice European selection for fresh market sales and home gardeners. Early, indeterminate, round, slightly ribbed fruit. A standard in European open market tomatoes. Very refined and very popular due to all these attributes.

MORTGAGE LIFTER

The large, slightly flattened, pink-red fruits that range from 1 pound to more than 3 pounds, are meaty, very flavorful and have few tomato seeds.

MR. STRIPEY

Red and yellow striped fruits that are low in acid...great as a fresh slicer. Known as 'Mr Stripey' due to its unique 'striped' variegations. This old heirloom tomato originally came from the hills of West Virginia. Huge, beefsteak type tomatoes average 1 to 2 pounds, and are yellow-orange in color with red and pink streaks. Mild, low acid taste.

RED GRAPE

Long, grape-like clusters of brilliant red elongated cherry tomatoes have earned this variety its name. Very sweet, complex flavor is delicious and has made these tomatoes a favorite of people everywhere. In fact, pints of these have become a popular supermarket item. Vigorous vines are very productive, but none of these delectable little morsels will go to waste. Their taste is addictive!

RED PEAR

Similar to its yellow cousin, this plant produces 100's and 100's of 1/4 oz. red pear shaped fruits. Mix these in with the yellow version and have a great salad that rivals a gourmet restaurant.

RED ZEBRA

Gorgeous 2½" fruits are fire-engine red overlaid with golden yellow stripes. Top quality, extremely uniform strain, very productive. Great sweet flavor. Similar to its green cousin, and makes for a great dish when mixed with Green Zebra.

SAUSAGE

Another great paste tomato...larger than San Marzano. Fruits are up to 6 inches long and are bright red.

SNOW WHITE

A very small white cherry tomato that has a unique mild taste. Looks great mixed with red and yellow pear tomatoes in salads. Also great for snacking in the garden

TEXAS WILD

These plants yield hundreds of 1/2 to 3/4-inch, red, cherry tomatoes with a delicious, sweet-tartness to them. A really decent snacking tomato for all you Texans and wanna be Texans.

TOMMY TOE

Small bright red cherry tomato fruits are excellent in salads or great just eating off the vine. Round to slightly elongated-shaped cherry tomato is bright red and prolific with excellent flavor and plenty of juice. This variety practically grows itself, resisting most diseases and setting loads of fruit. Great for salads and can even be used for juice. Australian Heirloom.

WHITE WONDER

One of the few "White" colored tomatoes. This is a very sweet variety that bears small to medium sized fruits that give a nice contrast to all the other reds, yellows, and purples around.

YELLOW BRANDYWINE

An Amish heirloom variety. A bright yellow fruit with a superb flavor similar to the other black and red varieties.

YELLOW GRAPE

Wonderful European bred yellow grape tomato with the flavor most other yellow grapes lack. Heavy producer on indeterminate bush plants. Bright yellow fruits grow in long clusters on healthy plants. The best-eating yellow grape with mild, sweet flavor.

YELLOW PEAR

These have an excellent flavor and can be used in salads or eaten right from the garden.

ZAPOTEC PLEATED

Highly pleated pink fruit, almost triangular in shape. Pink-red fruit with hollow interior that is very unique. Good flavor and great presentation when sliced. A prolific and exotic Mexican Indian variety.
